American Wrecking

Re: Palomar Community College (MIB Abatement & Demolition) CM-01-08-MIB

Dear Mr. Bell:

As you are aware Flagship/PDG, Inc is unable to execute American Wrecking's subcontract for the above-referenced Project due to the terms presented to American Wrecking in Flagship/PDG Inc's April 29th, 2008 bid. In light of this factor, as well as other business opportunities which have arisen, we consent and have no objection to American Wrecking's substitution of another subcontractor or subcontractors in our place for the above-referenced Project and Flagship PDG waives the notice and opportunity to object under Public Contract Code Section 4107.

We look forward for the opportunity to work with you on future projects. Please contact me with any further questions regarding this matter.

Very truly yours,

Timothy Vitta
