SUBJECT: PROFESSIONAL DEVELOPMENT FUNDS

OVERVIEW:

From time to time, the State Chancellor's Office provides additional or redistributed VTEA funds to colleges and districts. These funds are distributed noncompetitively via the State's ten Regional Consortia (for Region X, San Diego and Imperial Counties, the Consortium is housed at Cuyamaca College). The $3,000 for this agenda item is to be used for professional development of any faculty member who teaches in a vocational program.

DISCUSSION:

This $3,000 will be distributed to eligible Palomar faculty on a first come basis. Faculty who have active Occupational Advisory Committees will be given the highest priority. The Dean of Career, Technical & Extended Education will be the administrator of the funds and will submit all required reports to the Regional Consortium.

FINANCIAL IMPLICATIONS:

None.

RECOMMENDATION:

It is recommended that the Governing Board authorize acceptance of these funds
