CANVAS WORKSHOP

Skills - Support - Success

What is Canvas?

Canvas is a "Course Management System" licensed by Palomar College.
It is a place where you can find information about your class(es) such as:

- Instructor information (office hours & location, phone, e-mail, etc.)
- Announcements
- Syllabus
- Course files
- Assignments
- Grades
- Discussions with class/students

If you miss a class, you can always go to Canvas to see the outline of what the class did for that specific day.

Canvas is an online tool that can be accessed 24/7 from any computer using the Chrome browser.
