Subject:

Child Development Center Funding Contract, with the State of California Department of Education, for funds to renovate and repair health and safety problems at the San Marcos and Escondido Child Development Centers.

Overview

The Child Development Center received a grant from the State of California Department of Education for funds to make health and safety improvements to our two program sites. These funds may be used for purchasing equipment and materials and making renovations to the preschool service area. Included are the contracts for these funds.

Discussion

This contract is effective from December 15, 2007 through June 30, 2010, as long as funds are available.

Budget Implications

These funds shall not exceed $20,000. For the projects on the San Marcos site, the contract covers 35% of the costs. For the projects at the Escondido site, projects are 100% reimbursed.

Recommendation

It is recommended that the Governing Board approve this contract for funding of equipment purchases and making renovations in the Child Care Program at the San Marcos and Escondido campus site.
