AP 4228 COURSE REPETITION – SIGNIFICANT LAPSE OF TIME

Reference:

Title 5 Section 55043

With an approved petition, students may be permitted to repeat courses in which a “C” or better grade was earned where there was a significant lapse of time, two years, since the grade was obtained or:

- To meet a recency requirement for a course or program or
- An institution of higher education to which a student wishes to transfer has established a recency requirement that the student cannot satisfy without repeating the course

When a student needs to repeat an activity course due to a significant lapse of time, each repetition attempt will be counted toward the established repetition limits. However, if a student has already exhausted the number of permitted repetitions, then an additional repetition may be permitted by petition.

When a course is repeated due to a significant lapse of time, the District shall disregard the previous grade and credit when computing a student’s grade point average.

Students may secure the required petition at the Records Office.
