6 The mission of the Palomar Community College District:

7 Palomar College is an educational leader committed to quality learning. Our mission is  
8 to provide an engaging and supportive learning environment for students of diverse  
9 origins, experiences, needs, abilities, and goals who are pursuing transfer-readiness,  
10 general education, basic skills, career and technical training, and lifelong education.  
11 We are committed to promoting the learning outcomes necessary for our students to  
12 live responsibly, effectively, and creatively in an interdependent and changing world.

13 To achieve its mission, the Palomar Community College District follows the mission of  
14 the California Community College System as determined by the State Legislature.

15 The mission is evaluated and revised on a regular basis.
