4 Education Code Section 70902

5 Grants provide additional funds for academic programs, student support services, and
6 administrative operations. The Superintendent/President shall ensure a review process
7 is in place to determine that grant opportunities support the mission, goals, and
8 objectives of the District's Strategic Plan. This process shall occur prior to applying for
9 any grant funds. In addition, the Superintendent/President shall establish procedures to
10 assure timely application and processing of grant applications and funds.

11 The Governing Board shall be informed about all external grant applications. The
12 Governing Board shall approve all grants awarded to the District.
