If the Governing Board causes any tape or video recording of a meeting, the recording shall be subject to inspection by members of the public in accordance with the California Public Records Act, Government Code Sections 6250 et seq. The Superintendent/President is directed to enact administrative procedures to ensure that any such recordings are maintained for two years following the taping or recording.

Persons attending an open and public meeting of the Governing Board may, at their own expense, record the proceedings with an audio or video tape recording or a still or motion picture camera or may broadcast the proceedings. However, if the Governing Board finds by a majority vote that the recording or broadcast cannot continue without noise, illumination, or obstruction of view that constitutes or would constitute a persistent disruption of the proceedings, any such person shall be directed by the President of the Governing Board to stop.
