6

Students may ~~to~~ initiate grievance procedures when they believe they have been

7

subject to unjust action or the denial of rights as stipulated in published District

8

policies/procedures, state laws, or federal laws. Such action may be instituted by a

9

student against another student, a staff member, a faculty member, or an administrator.

10

When a student believes an injustice has been done, the student may seek redress as

11

outlined in the Student Grievance Procedures. GB 6-28-94
