The Board is committed to the establishment of a risk management program that is consistent with all legal requirements for community colleges. The primary concern of such a program shall be the safety and health of students, faculty, staff, and the public and the protection of District property and assets. In order to ensure that the District is conducting its operations as safely and efficiently as possible, the Board authorizes the Superintendent/President or designee to develop and maintain a risk management program that includes identification, prevention, mitigation, and assumption or transfer of risks through appropriate agreements, purchase of insurance, pooling with other agencies or other risk financing practices. The ultimate goal shall be successful implementation of safety and loss prevention/control practices and the maintenance of adequate insurance programs. A report on the program shall be presented to the Board as needed or requested.
