

**Palomar College**  
**Adding a Class for Spring 2010**

---

---

**Through January 24, 2010:**

To add open courses to your Schedule just use Student eServices at [www.palomar.edu](http://www.palomar.edu).

After January 24, 2010, a permission number will be required for adding full term classes.

*(Follow the procedure described below to add a class that is closed.)*

**To add a class that is closed (Do not delay. Make sure that you do this today.)**

- First you must obtain a Permission Number from your professor (see below).
- Then use Student eServices to add the class or go to the admissions office for help.  
(If you have difficulty using Student eServices, call the help line at 760-744-1150 ext. 2164 immediately.)
- **Important!** This permission number will expire January 31, 2010 ~ USE IT TODAY.

**February 1 through the end of the Spring Semester:**

Too late to register for semester-length classes, or early-start short-term classes.

***Only registration in late-start, short-term classes, or open-entry/open-exit classes is permitted.***
