Transfer Course Articulations for Palomar College

R.O.A.R.

November 18, 2008 02:42 pm

When an equivalent Pacific course exists, the subject and number of the Pacific course are listed. **All courses from a community college are considered lower division, regardless of equivalency; they will not count toward upper-division requirements for the major or for the degree.**

Sometimes more than one transfer course must be taken to cover all of the material in a particular Pacific course (e.g., both CHEM 001 and 002, combined, may transfer as an equivalent to Pacific's CHEM 025) These courses may be accepted individually; however, the individual courses are not equivalent to any particular Pacific courses or General Education Category.

The "General Education Category" column denotes any General Education Categories (as noted below) into which the course transfers at Pacific (e.g., GE: III -A Laboratory Science).

***** A course not included on ROAR has not yet been reviewed by Pacific. The University may deem such a course transferable upon review. *****

Palomar College

**University of the Pacific Articulations
for Courses Graded "C" or Higher only**

Subject: AJ

Palomar College			University of the Pacific Articulations for Courses Graded "C" or Higher only		
Subject	Course Title	Subject Course Title	Units	General Education/Basic Skills Category	
AJ	100 Intro to Criminal Justice	TRAN TLD Intro Criminal Justice (AJ 100)	3.000
