

2009-2010 Palomar College and United States University Articulation Agreement: Lower Division Major & General Education Requirements for Bachelor of Arts in Liberal Studies

Please note Community College students can transfer to InterAmerican College at any time as long as they have completed USU minimum enrollment requirements. USU's minimum requirement is a High School Diploma or equivalent.

The USU experience: USU students will have the opportunity to complete their degrees in an educationally enriching environment in courses that are held just two days a week in the evening. Each course is one month long or nine sessions in duration, making it easy for students to work and carry out life activities successfully and fully while in school. For further information about USU please call us at the number below or meet with a IUSU Counselor in the Transfer Center or at the USU campus.

Information about the Bachelor of Arts in Liberal Studies: This is a CCTC-Approved program and our courses have been selected based on approved courses that the California Commission on Teacher Credentialing has determined to be appropriate for individuals interested in teaching at the primary school level.

General Transfer Information: Students may transfer up to 60 lower-division transfer level units to USU.
