

SAN DIEGO STATE UNIVERSITY/PALOMAR COLLEGE

Lower Division Major Preparation Agreement
2011-2012

Discipline: INTERDISCIPLINARY PROGRAMS

Degree: B.A. Liberal Arts & Sciences in Interdisciplinary Studies in Three Departments

Emphasis: None

Interdisciplinary Studies in Three Departments is a student-designated major incorporating three different disciplines into a unified theme. The application process includes submission of an essay justifying a cohesive and rational master plan and the selection of upper and lower division coursework from three participating departments.

Preliminary approval of the major must be secured from the Assistant Dean of Undergraduate Studies **prior to completion of 90 semester units**. Acceptance into the program requires approval from each of three departmental advisers. Information regarding participating departments and procedures for application is available in the Division of Undergraduate Studies.

A minimum of two courses (6 units) in each of the three departments selected in the major must be completed in the lower division as foundation for upper division courses. In departments where lower division offerings are insufficient to meet this requirement, the total minimum upper division requirements may be extended. See page 288 in SDSU catalog for details.

Minor: No minor is required for this major.

Foreign Language Requirement: Competency (successfully completing the third college semester or fifth college quarter) is required in one foreign language as part of the preparation for the major. Refer to the section in SDSU's catalog on "Graduation Requirements."
