Note: Students are strongly recommended to complete Palomar's Japanese courses through the 202 level and then test out of the higher SDSU levels once they have transferred. Palomar's Japanese courses do not equate as one-to-one articulations, however, the competence at the 202 level is required by the major. Native speakers of Japanese, see SDSU's catalog for restrictions on credit.

Minor: All Japanese majors must complete a minor in another field which must be approved by the department advisor in Japanese.

Foreign Language Requirement: The language requirement is automatically fulfilled through coursework for preparation for the major.
