

## CHILD DEVELOPMENT DEPARTMENT

### Requirements for Certificates and Degrees

#### EARLY INTERVENTION ASSISTANT

Certificate of Achievement or A.A. Degree

This program includes a selection of courses that provide academic preparation for a career in working with children with disabilities (birth to 5 years) in inclusive settings. This program will give students general knowledge and skills in theory, principles, and techniques for this specialized group of children.

The 29 units listed in this section enable students to complete an Early Intervention Assistant Certificate of Achievement.

Students also have the option to earn an Associate in Arts degree in Child Development by completing the 29 units for this Certificate and the General Education courses required by the college.

Please see the current Palomar College catalog for further information regarding the Child Development Program and specific course descriptions.
