 Two Police Officers will be hired and funded under the General Fund.
 All outside departments previously paid out of Police Dept. restricted funds will be funded under the General Fund.
 Because of this funding, and the possibility of increased enrollment with the new Science Building, the discussion of permit increases will be put on hold with further discussions in the fall.
 - b. Permit Dismissal Proposal – Cruz
 There was a proposal to maintain the one time dismissal per calendar year but allow a second dismissal with a \$15 administrative fee charged. This was taken to vote and carried. (SanAgustin-Cummins) and will be forwarded to SSPC and SPC for approval.
 - c. Update Permit Change for staff/students - Ward
 The cost of supplying window stickers to both staff and students similar to CSUSM is cost prohibitive. The staff permit will be reduced in size when updated but will remain a hanging configuration.
 - d. Additional Committee Members (1 Faculty, 1 Student) – Plotts
 Brent Gowen has indicated the additional faculty member on the committee may be a counselor as they can address crisis intervention issues. This issue is on the SSPC agenda and a counselor will be requested.
