Family Health Centers of San Diego

Join Our Family!

Welcome to Family Health Centers of San Diego Career Center. We are pleased that you are interested in joining our organization.

At FHCSD we are proud of the work we do in providing quality health care to the San Diego community. The success of our mission depends on the caring and dedicated members of the FHCSD team. Everyone who joins the FHCSD family plays an important role toward the well-being of those who visit our health centers.

Thank you for choosing FHCSD! We look forward to reviewing your application.

How to Apply at FHCSD

- Please visit www.fhcsd.jobs to begin the process.
- Once you find the job that you are interested in, click on the job. Once you have clicked on the job, the new page will give you information regarding the job: location, division, overview, responsibilities, qualifications, etc.
 - o If you feel that you meet the qualifications for the job, under Apply for this job, you can click on **"Apply"**.
 - o Once you have clicked on "Apply", you have two options:
 - (1) If you have previously been on our website and have created a Login Name and Password, you can enter it at this time, if you do not remember your password there is a "Retrieve Password" option (just below where you log in), that will e-mail your lost password.
 - (2) **If you never been to our website and have not created a Login Name and Password, click on "Fill out an online form to interactively build your profile"**
 - i. Once you have clicked on this, you will be able to create your Login Name and Password. (This page will also ask for basic information and give you the option to upload or paste your cover letter and resume).
**If you do not have cover letter/resume, please leave this field blank.*
 - ii. After you have completed the form and have clicked on "Submit Profile", it will direct you to the Job Application.
 - iii. Once you have submitted your Job Application, a message in red should appear informing you that your application was submitted successfully.
- Once an account has been created, you can always log back in to view the status of your application, view current openings, and update your application and profile - you can also change your password and other important information on this page.
