UFCW
a VOICE for working America

PAID INTERNSHIPS

The United Food and Commercial Workers International Union (UFCW) represents more than 1.3 million workers, primarily in the retail and meatpacking, food processing and poultry industries. The UFCW protects the rights of workers by fighting for health care reform, living wages, safe working conditions and the right to unionize so that everyone can realize the American Dream.

We're hiring paid interns for the remainder of the 2008-9 academic year. Please contact us to find out more information.
