

PALOMAR COLLEGE
GUARANTEE YOUR ADMISSION TO THE UNIVERSITY OF CALIFORNIA,
SAN DIEGO (UCSD) THROUGH THE TAG PROGRAM
(Transfer Admission Guarantee)
FOR TRANSFER FALL 2010 AND WINTER 2011

What is the TAG?

The TAG is an agreement between Palomar College and UCSD, which guarantees upper-division or junior applicants admission to the University. **It does not guarantee admission to a specific college or major.**

Who is eligible to participate in the TAG?

- A student who is a United States citizen, permanent resident, AB540 student, and former UC student in good standing (except former UCSD students)
- A student who will meet the definition of a California community college (CCC) student applying for admission with a minimum 60 UC-transferable units:
 - Has been enrolled at one or more CCCs for at least 2 regular terms (excludes summer sessions)
 - Last college before UCSD admission is a CCC (excludes summer sessions)
 - Has completed at least 30 semester UC transferable units at a CCC
- A student who **does not** currently hold a BA or BS degree, including degrees earned outside the United States

Who is NOT ELIGIBLE to participate in the TAG?

- A high school student who is concurrently enrolled at a community college and has not yet earned a high school diploma
- A foreign student with a visa (A student with permanent resident status is not considered a foreign student)
- A student whose total **combined two-year and four-year** (including University Extensions) transferable coursework will **exceed 90 semester units**. All UC-transferable units completed at a four-year university apply toward the 90 semester/135 quarter units rule. (The 90-semester unit limit does not apply to students whose credits are **all** from community colleges or AP/IB credits prior to high school graduation)
- A student who previously attended a UC and left "not in good standing" (Below 2.0 GPA). A former UCSD student
