Yes No

If yes, check all that apply. (See guidelines for preparation for definitions.)

telecourse (Course is taught by televised lessons not under direct supervision of an instructor. Usually some on campus lecture/discussion sessions are required.)

mediated instruction (Instruction is by audio-visual means in various combinations. Usually conducted in a learning resources center not under immediate supervision of a qualified instructor.)

computer assisted instruction (A specialized form of mediated instruction relying primarily on student access to information and prepared lessons or teaching materials through a computer terminal, but not under immediate supervision of a qualified instructor.)

GRADING POLICY AND STANDARDS (include methods for determining whether the stated objectives have been met by students):

The student's grade is determined by three considerations: attendance, participation, skill improvement.

1. Participation is defined as (a) the student's attention and contribution to the moment-to-moment activities of rehearsal or performance; (b) his/her application of musical concepts; and (c) her/his conscious effort to achieve the goals defined by the director in rehearsal. 60%
3. Skill improvement should follow as a result of items #1 and #2 in an ensemble, and the individual's improvement may not be as evident to the instructor as it is in other classes, thus it is included as the second order of importance. 40%
