

Information about Counseling Contacts

- Starting fall 2011, students will not have an assigned counselor. Students may see the first available counselor or the counselor of their choice.
- EOPS students who are also in the CalWORKs program will be required to schedule all three of their EOPS counseling contacts with a CalWORKs counselor.
- Group counseling will be offered for EOPS second counseling contacts. Attend a group counseling appointment for your 2nd counseling contact and receive a \$20 gas card. (To receive a gas card, you must have a financial unmet need)

Recommended Counseling Contact Dates
