Palomar College Financial Aid & Scholarships Office

Official University Admission/Enrollment Status for _____
Semester and Year

This student is applying for federal financial aid at our college. In accordance with Title IV Student Financial Aid federal regulations, the college is required to award federal financial aid to students who are officially admitted to Palomar College and pursuing a degree or transfer program only.

According to our records, the student was previously enrolled at your university/college during the past academic semester or year. Therefore, our office is requesting an official certification of this student's admission status with your university/college.

Please indicate the student's admission/enrollment status below (mark all appropriate boxes).

- Student is officially admitted to the university and can re-enroll in courses the following semester.
- Student has requested an Official "Leave of Absence" for the period _____ to _____ and is expected to re-enroll in courses for the _____ semester _____.
- Student must reapply for admission to the university.
- Student has been academically disqualified and must submit a petition for reinstatement.
Note: student does not have to reapply for admission.
