

Palomar College

2011-2012 Scholarship Eligibility Reinstatement

In accordance with scholarship donors' and/or Palomar College requirements for continued eligibility for scholarship funds, the Financial Aid Office is required to review students' academic status and grades for each semester.

You have been determined to be ineligible or disqualified for the scholarship(s) you were awarded for the term specified in your official notification.

REQUIRED DOCUMENTATION

To consider your Scholarship Eligibility Reinstatement request you must submit the completed form (*reverse side*) to the Financial Aid & Scholarships Office.

Explain why you were unable to complete all of your courses satisfactorily. Describe corrective or preventive actions taken to ensure that you will maintain satisfactory academic progress in the future.

Responses should be prepared thoughtfully and should focus on the reason(s) for the request. Students are reminded to meet the established submission deadlines. Any petition received after the semester deadline will be reviewed for consideration for the following semester.

SUBMISSION DEADLINES:

- Fall 2011 – November 25, 2011
- Spring 2012 – April 13, 2012

The decision regarding your reinstatement will be emailed to your Palomar College student email address within five (5) working days.

Student's Name

Student I.D. #

2011-2012 Scholarship Eligibility Reinstatement

Answer the following items regarding your Palomar College enrollment:

Semester(s) are you requesting financial assistance? FALL 2011 SPRING 2012

Degree objective: Certificate Associates Degree Transfer Certification: CSU UC

Program major: _____ Anticipated completion date: _____

Briefly state your educational objective and/or goals?

Tell us why you did not complete all of your courses with a satisfactory grade. Explain any special circumstances which made it difficult for you to succeed in your classes or the completion of your educational goal. Also, explain the reasons/circumstances for enrolling in a course that you have previously taken (*if applicable*).

Explain how you have resolved the problems and how you plan to succeed in your classes from now on. Give examples of your efforts to improve your academic performance.

I certify that all statements made above and attached supporting documentation are true and correct to the best of my knowledge.
