Employment Eligibility Verification:

The Immigration Reform and Control Act of 1986 requires all employees to provide identification and written documentation of authorization to work in the United States.

I understand that I must provide the required documentation within three (3) days to the Human Resource Services Office.

Eligibility for Student Employment:

I am now carrying a minimum of 6 units of credit (12 units for international students) for Fall/Spring semester or 3 units of credit for summer session, and I will maintain at least that number in order to continue working on campus; otherwise I understand I may be dropped from the payroll.
