Course is part of a sequence of courses or program that results in a certificate of completion or a certificate of competency	Course is not part of a sequence of courses or program that results in a certificate of completion or a certificate of competency

MIS Code CB24 Course-Program-Status

- 1 = Program-applicable
- 2=Not program-applicable (stand alone)

If a course is stand alone, and later is changed in such as way as to become program applicable, CB 24 must be changed for that course.

If course is program applicable and later is changed in such a way as to become stand alone, CB 24 must be changed for that course.
