## CSU GE Advising Guide and Course List

### 2011-2012

Student (Last, First, MI): \_\_\_\_\_

ID #: \_\_\_\_\_

The following list will assist you in choosing courses to fulfill lower-division general education breadth requirements for transfer to any California State University (CSU). GE Breadth requires a minimum of 39 lower-division semester units, which may be certified by California Community Colleges. Partial certification may be granted by Area (A, B, C, D, or E) or full certification may be granted if all areas and units are completed.

**To be eligible for admission to CSU you should:**

- Check with the individual campus website for updated transfer admission requirements
- Complete a minimum of 60 CSU transferable semester units with a GPA of 2.0 or better, 2.4 for non-California residents
- Complete at least 30 of those units from the GE courses listed below, including all of Area A and Area B4 by Spring for Fall transfer, by Summer for Spring transfer, and by Fall for Winter transfer.
- Consult a counselor for specific information regarding major prep and additional GE requirements.

**Application for Certification:** Upon enrollment in final requirements, submit a Petition for Graduation to the Evaluations Office in the Student Services Center, SSC-40. Petitions are available in the Counseling and Transfer Centers, at the Education Centers, in the Evaluations Office, and online. Students are strongly recommended to review certification requirements with a counselor prior to applying; however, it is ultimately the student's responsibility to ensure completion of all requirements. See application deadline dates below.

<u>Completing requirements:</u>	<u>Apply by:</u>
Spring semester . . . . .	February 28th
Summer session . . . . .	June 30th
Fall semester . . . . .	September 30th

**Grade Point Average:** A minimum grade point average of 2.0 ("C" average) is required.

**Total Units:** Complete a minimum of 39 semester units.

**Residency:** To be eligible for certification, 12 of the required 39 units must be completed at Palomar College.

**Foreign and Military Credit:** Palomar College will not include foreign course work or most military schooling on the GE certification. The determination regarding their use is left to the transfer institutions due to the varying policies in the acceptance of these credits. The CSU System does allow the use of ACE-recommended credit for Basic/Recruit Training in Area E.

**CSU GENERAL EDUCATION REQUIREMENTS - Minimum of 39 semester units required**

+ (FXX) - Indicates approval date of course for an area - course taken prior to date indicated would not be acceptable
