3C Media Solutions

Code # 69

3CTV is your community college television network! It features a wealth of educational, informational and entertainment programs exclusively for the California Community Colleges. Watch 3CTV on your campus or on your desktop. For programming information:

<http://www.3cmediasolutions.org>

No matter what your field of interest, there is a 3CTV program for you and your students:

3C Health Hour

Watch up-to-the-minute programs from the Centers for Disease Control (CDC), Public Health Training Network, Federal Emergency Management Agency (FEMA), and other significant health organizations and educational institutions.

3C Professional Development Hour

Stay ahead of the professional curve with telecourses and information from @One, the California Community Colleges Chancellor's Office, CCCSAT and more.

CCC Arts Hour

Enjoy a rich variety of CCC student works including theater, video, film and music productions as well as arts-related telecourses.

CCC Diversity Hour

Learn about a variety of different cultures in our college communities; includes the California Indian Educational Network (CIEN) programming.

CCC Student Services Hour

Uncover a multitude of resources on important issues including counseling, college success skills, financial aid, student health and much more.

CCC News Hour

Get the inside scoop on all the California Community Colleges with each edition of CCC News and other CCC student-produced programming.

CCC Science & Technology Hour

Keep your edge with programs and telecourses on the latest technology including Photoshop, LINUX and others.

CCC Science & Technology Hour

Keep your edge with programs and telecourses on the latest technology including Photoshop, LINUX and others.

CCC Shared Governance Hour

Find out about the decisions that affect you and the entire CCC system. Watch the CCC Board of Governors Meeting.

CCC Affiliates Hour

Tune in to watch guest lecturers, arts, music and special academic programming from your colleagues around the California Community College system.

CCC Community Services Hour

Share the latest information on community emergency information from the Federal Emergency Management Agency and others specializing in public safety officer training.

CCC Academic and Library Resources Hour

From psychology to sign language, from air-conditioning repair to American history, discover a wide variety of educational programs and telecourses from the CCC's, U.S. Department of Education, and more.

These 3C Media/Palomar College broadcasts and more are also available at:

<http://www.3cmediasolutions.org/pages/programming/archives.html>

@One Training Materials Library - <http://cccone.org/>

Code # 110

@ONE makes it easy for California Community College faculty and staff to learn how to use technology to enhance student learning and success. @ONE's programs provide training, online resources and support for free - or at a very low cost - thanks to funding from the California Community College Chancellor's Office Telecommunication and Technology Infrastructure Program. The programs are also structured to fit a busy faculty or staff member's schedule.

Programs include: Lunch 'n Learn Desktop Seminars, Online Courses, Self-Paced Online courses, Hands-On Institutes and online resources and Cyber Teachers' Institute.
