Education Code Sections 72023, 72103, and 72104

The purpose of the Governing Board of the Palomar Community College District is to serve as a representative body elected by and responsible to the people of the College District. The Governing Board shall consist of five members elected by the qualified voters of the District. Members shall be elected at large.

Any person who meets the criteria contained in law is eligible to be elected or appointed a member of the Governing Board.

An employee of the District may not be sworn into office as an elected or appointed member of the Governing Board unless he or she resigns as an employee.

No member of the Governing Board shall, during the term for which he or she is elected, hold an incompatible office.

See BP 2710 titled Conflict of Interest

❖ **From Palomar College BP 5.0**

Purpose

~~It is incumbent upon each Board member to interpret the views of the public to the Board and administration.~~

NOTE: This policy is **suggested** as **good practice**. The language in **red ink** is recommended by the Community College League and legal counsel (Liebert Cassidy Whitmore). The language in **black ink** is from current Palomar College Policy 5.0 titled Purpose. The language in **green ink** reflects revisions/additions made at the May 12, 2006 Policy and Procedure Task Force Meeting.

Attorney General Opinion 01-112 (8/3/01) clarified employment of a Governing Board member as a part-time or substitute instructor. Education Code Section 72103(b)(2) makes an exception for individuals who are usually employed in an occupation other than teaching and who are employed by the District to teach no more than one course per semester or quarter in the subject matter of the individual's occupation. The AG Opinion states that this exception applies only

when the contract to teach has already been executed at the time of the election to the Governing Board.

Government Code Sections 1090 and 87100 and common law principles of conflict of interest prohibit such office-holding, and inclusion of this exception is not recommended.

Accreditation Standards IV.B.1.a, e, and h

**❖ From the CODE OF ETHICS PALOMAR COMMUNITY COLLEGE
DISTRICT GOVERNING BOARD (89-13740)**

As a member of the Palomar Community College District Governing Board, I will perform my duties in accordance with my oath of office. I am committed to serving the educational needs of the citizens of the District. My primary responsibility is to provide learning opportunities to each student regardless of ethnic group identification, national origin, religion, age, sex, race, color, ancestry, sexual orientation, or physical or mental disability.

It is my further responsibility to:

1. Devote time, thought, and study to my duties as a Palomar College Board member so that I may render effective and creditable service.
2. Work with my fellow Board members in a spirit of harmony and cooperation in spite of differences of opinion that may arise during vigorous debates of points at issue.
3. Base my personal decisions upon all available facts in each situation, vote my honest conviction in every case unswayed by partisan bias, and abide by and uphold the final majority decision of the Board.
4. Remember at all times that as an individual I have no legal authority outside the meetings of the Board and conduct my relationships with College staff, students, the local citizenry, and the media on that basis.
5. Be aware that I am responsible to all citizens of the District and not solely to those who elected me. The authority delegated to me by the voters must be exercised with as much care and concern for the least influential as for the most influential member of the community.
6. Resist every temptation and outside pressure to use my position as a community college board member to benefit either myself or any other individual or agency apart from the total welfare of the Palomar Community College District.
7. Recognize that it is as important for the Board to understand and evaluate the educational program of Palomar College as it is to plan for the business of College operation.

8. Bear in mind under all circumstances that the Board is legally responsible for the effective operation of the District. Its primary function is to establish the policies by which the Palomar Community College District is to be administered. The Board shall hold the Superintendent/President and his/her staff responsible for the administration of the educational program and the conduct of College business.
9. Welcome and encourage the active involvement of students, employees, and citizens of the District with respect to establishing policy on current College operation and proposed future developments and consider their views in my deliberations and decisions as a Board member.
10. Recognize that deliberations of the Board in closed session are not mine to release or discuss in public without the approval of the Board by majority vote.
11. Avail myself of opportunities to enhance my potential as a Board member through participation in educational conferences, workshops, and training sessions offered by local, state, and national organizations.
12. Be informed about the actions and positions of state and national community college trustees' associations.
13. Strive to provide the most effective community college board service of which I am capable, in a spirit of teamwork and devotion to public education as the greatest instrument for the preservation and perpetuation of our representative democracy.
