

Hello colleagues,

The safety and well-being of undocumented students transcends politics as usual.

We invite you to join leaders from Educators for Excellence, the American Federation of Teachers, Stand for Children, Teach for America, and The Education Trust for a nationwide tele-town hall on September 12 at 6pm PT/8pm CT/9pm ET, where we will equip teachers with the advocacy tools, classroom resources, and immigration knowledge they need to protect and fight for undocumented students.

We will also be joined by a special guest speaker who will answer your immigration policy questions.

Register your phone number here<<http://www.surveygizmo.com/s3/3819539/9-12-2017-Tele-Town-Hall-On-DACA>> and we'll automatically give you a call at the start of the town hall - you won't need to call in! You must register by 12pm ET on September 12 to secure your seat.
