Palomar College no longer has an Intensive English language program on Campus.

English proficiency will be determined at Palomar College by the standardized test scores listed above, plus language school levels, and grades earned.

English-as-a-Second-Language class placement will be based on Placement Test results. Up to 8.0 units of ESL classes may be required the first semester at Palomar College, depending on ESL Placement results.

NOTE: We do not accept SAT scores in place of TOEFL/IELTS scores. SAT scores are used for university acceptance. TOEFL/IELTS scores are used for English proficiency.
