COUNTDOWN to ACCREDITATION

It is February 2nd, and our virtual peer review site visit is in 26 days!

As we move closer to our virtual visit, many of you are asking how you can best prepare. Ideally, everyone should understand the content of our Institutional Self Evaluation Report. However, because it is 300 pages of incredible information, we've decided to issue a weekly email highlighting the most important and applicable points of information.

The Visit

Our peer review team was established and underwent training on February 1. Their bios and photos are on the [accreditation webpage](#). The webpage is also the best resource to stay up to date on the details of the virtual site visit. The page will be updated as we confirm the February 28 – March 3 calendar of events. To prepare us for the visit, our Accreditation Writing Leadership Team is hosting our final all campus forum on February 9 at 3:00 p.m. Please join us via [Zoom](#)!

Please be ready to discuss our Vision, Mission, and Values statement with our visiting team.
