

“Palomar College Rancho Bernardo Center Landscape Tour”

Saturday, April 13, 2019

10:00 am – 12:00 pm

Meet at the Parking Structure entrance

11111 Rancho Bernardo Rd San Diego Ca. 92127

Free Parking will be along the loop rd. near the Parking Structure.

On this tour we will discuss the varied plant collections on the site. With a focus on drought tolerant/water wise planting, shade gardening with water wise plants along with a quick look at the Habitat Preserve from the Parking structure. We will discuss the long term botanical goals for the site and take in the fantastic views of the surrounding cities.

Optional: Bring water, snacks, hat and sunglasses. Wear comfortable walking shoes.

Please **RSVP Tony Rangel** if you will be attending this tour.
