Articulation Officer

IGETC History

- Intersegmental General Education Transfer Curriculum
- Established in 1991
- Provides option for CCC students to fulfill lower-division breadth requirements before transferring to CSU or UC
- Endorsed by all three Academic Senates
- IGETC is authorized by CSU EO 595
- IGETC GE Transfer Curriculum is comprised of courses taught at CCC that satisfy specific areas of GE

IGETC GE

- Six Areas of General Education all with a grade of “C” or higher
- Pass/No Pass may be used as long as it is equivalent to a “C” or higher
- Area 1: English Language Communication and Critical Thinking
(3 semester units or 4 quarter units each)
- Area 2: Quantitative Reasoning (3 semester/4 quarter units)
- Area 3: Arts and Humanities (9 semester/12 quarter units)
- Area 4: Social Sciences (9 semester/12 quarter units)
- Area 5: Natural Sciences (7 semester units/9 quarter units)
- Area 6: Language Other Than English (LOTE)

IGETC for STEM

- Only approved for the AST in Biology
- Area 1, 2, and 5 of the traditional IGETC
- Area 3: Students complete 3 units from 3A *Arts*, 3 units from Area 3B *Humanities*
- Area 4: Students complete 6 units from 2 different disciplines
- Complete the following after transfer: one course from Area 3, one course from Area 4, one course in Area 6 for UC bound students who have not satisfied it through proficiency

Using IGETC

- IGETC is not an admission requirement
- All UC and CSU campuses will accept the completed IGETC to satisfy all lower division general education requirements*
- *However individual colleges or majors within a CSU or UC campus may not accept IGETC for general education
- Subject to change each year

[UC statement on IGETC](#)

Who can use IGETC?

- California Community College students
- Student does not need to be currently enrolled
- No minimum unit requirement
- Students who enroll at a UC or CSU, then leave and attend a community college, and return to a different UC or CSU campus may use IGETC

Who cannot use IGETC?

- UC readmits
- Readmits: students who initially enroll at a UC campus, leave and attend a community college, and subsequently return to the same campus

Partial IGETC

- Partial certification = 2 courses remaining or less.
- Q: Student needs 3 units area D and LOTE. Partial?
- A: Yes. LOTE is a proficiency and may be considered one course.

IGETC course database

- [Assist](#)
- Courses approved for Fall 91 may be taken prior to Fall 91
- Courses approved for Fall 92 or later may NOT be taken prior to Fall 92

CCC Courses appropriate for IGETC

- CCC courses: coursework may be used according to the approved IGETC designation during the time of completion. No double counting with the exception of LOTE proficiency.

*Fall 1991 rule.

			4F	F09	

More Information

ASSIST does not take the place of a counselor on your campus. It is intended to help students and counselors work together to establish an appropriate path toward transferring from a public California community college to a public California university.

Now: 72°F Fri: 86°F Sat: 81°F

Non-CCC Courses appropriate for IGETC

- A. Appropriate non-CCC GE courses in the humanities, mathematics, social sciences, and natural sciences completed at a regionally accredited institution
- B. Careful review of course outlines for content, prerequisites, texts, units, and IGETC Area Standards
- C. Extra scrutiny in reviewing area 1B Critical Thinking and Composition

*few non-CCC second semester English Composition courses offer the rigor of critical thinking

Non-CCC Courses appropriate for IGETC

Lower Division Courses

- Coursework determined to be comparable to Palomar approved IGETC coursework
- If the certifying CCC does not have a comparable course, but another CCC does have a comparable IGETC approved course, the course may be used on IGETC after comparing content, prerequisites, texts, units, and conformity
- Non-CCC course may be applied prior to CCC effective date if the course meets bullet #2
- Foreign coursework with regional accreditation
- CCC and Non-CCC online, distance education and telecourses may be used following the same scrutiny already discussed with the exception of speech

Credit by External Exam

- Advanced Placement 3, 4, 5
- Student cannot receive credit for both AP and comparable college course
- Refer to the AP Chart for details
- CLEP is not accepted for IGETC
- Very Important: Actual AP transfer credit awarded is determined by the CSU and UC. The UC Policy can be found at [UC External Exams](#)

Courses not appropriate for IGETC

- Courses focused on personal, practical, or applied aspects such as drawing, college success, health education
- Introduction courses to professional programs such as Theatre and Set Design, Introduction to Business
- Independent Study
- Foreign coursework not completed at a US regionally accredited institution with the exception of LOTE
- Area 1C online oral communication

Summary of Non-Applicable courses

- *This list is an example and not limited to the following:
- Courses non transferable to the CSU and UC
- Pre-baccalaureate courses
- Variable Topics
- Directed Study
- Independent Study
- Foreign coursework
- Personal, practical, skills courses
- Performance courses
- Creative writing
- Logic
- Computer science
- Courses with fewer than 3 semester/4quarter units

Unit Value

- Minimum 3 semester/4 quarter units
- Laboratory courses intended to accompany lecture courses are an exception
- Three 1 unit courses will not together provide the depth or rigor of a single 3 unit course
- Exception: English and Math
- When combining quarter and semester within IGETC areas, always convert to semester or quarter to best serve the student

Unit Value Exemption

English/Math

Exception Rule

- 3 quarter unit Math and English courses that satisfy IGETC 1A or 2 may be applied if they are part of a sequence, and at least two of the 3 quarter unit sequence courses have a “C” or better
- Course sequence must satisfy the rigor of IGETC

Example

- Q. Student takes ENGLISH 101, 102, 103 (3 quarter units each)?
- A. Any Combination of 101, 102, 103 for a total of 6 quarter units
- Q. Student takes MATH 121, Calculus A (3 quarter) and Math 122 Calculus B (3 quarter)
- A. CCC may use both to clear area 2 with 6 quarter units

Combining quarter and semester

Semester to quarter conversion

(1 semester unit \times 1.5 = 1.5 quarter unit)

- 1 quarter unit
- 3 quarter unit
- 4 quarter unit
- 4.5 quarter unit
- Q: student completes 3 courses for area 4. Two are 3 semester units each and one is four quarter units?

Quarter to semester conversion

(1 quarter unit \times .667 = .667 semester unit)

- .667 semester unit
- 2.001 semester unit
- 2.668 semester unit
- 3 semester unit
- A: Convert the semester unit to quarter unit to give the student 13 quarter units to clear area D.

Grades

“C” (2.0) or better. “C-” is not acceptable

CR/No Credit-Pass/No Pass is ok as long as CR/P equates to a “C” or better

LOTE exception: UC does not count plus or minus grades. “C-” may be used if using high school transcript.

LOTE HIGH SCHOOL

D and F grades in less advanced work:

- Students may clear D and F grades in less advanced work by completing more advanced work with grades of “C-” or higher.

- Examples:

Spanish 1: D D	Spanish 2: C C	MET
Spanish 1: D D	Spanish 2: D C	MET
Spanish 1: D C	Spanish 2: C D	NOT MET

Area 1

1A: English Composition

3 semester/4-5 quarter units

- Expository writing
- Substantial reading and literature
- 6,000 words
- Minimum 3 semester/4 quarter units*
- Rhetorical analysis
- Non-CCC: usually 2nd sequential English course
- Scrutiny given; syllabus? admission requirement

Exception for 1A minimum unit value

- 3-quarter unit English courses may be used if part of sequence
- At least 2 of the 3-quarter unit English courses must be “C” or better
- Sequence must meet rigor of IGETC 10.1.1
- Walla Walla College

English 111 3.0 qtr A

English 112 3.0 qtr A

English 113 3.0 qtr C

Area 1

1B: Critical Thinking/Composition **3 semester/4-5 quarter units**

- Course from 1A must be prerequisite
- 2nd level English emphasizing critical thinking
- Deductive/inductive reasoning
- Relationship between language and logic
- Analyze, criticize, advocate ideas
- Fallacies
- 6,000 words
- Most non-CCC's will not satisfy 1B
- Extra scrutiny given

1C: Oral Communication (CSU) only **3 semester/4-5 quarter units**

- Faculty-supervised, faculty-evaluated
- Rhetorical principles-study of effective communication in formal speeches
- Speeches must be conducted in person and not recorded or online

Area 2: Mathematical Concepts

Mathematical Concepts/Quantitative Reasoning 3 semester/4-5 quarter units

- Prerequisite: intermediate algebra
- Unacceptable: survey courses such as Math in Society, Symbolic Logic
- Minimum unit: 3 semester/4 quarter*

Exception for area 2 unit value

- 3-quarter unit math courses may be used if part of sequence
- At least 2 of the 3-quarter unit math courses must be “C” or better
- Sequence must meet rigor of IGETC 10.2

Math 121 (Calculus A) 3 quarter units C

Math 122 (Calculus B) 3 quarter units C

Each may be used to certify area 2 with 6.0 quarter units

Area 3A/B: Arts and Humanities

3 courses; 9 semester, 12-15 quarter units

- 3A-Arts: integrates history, theory, aesthetics, criticism
- 3A-Arts does not include applied arts such as drawing, painting
- 3B- Humanities: designed to appreciate works of philosophy, literature, history and culture
- Advanced foreign language ok with culture component
- Creative writing, oral interpretation, Spanish for Spanish Speakers and all introductory foreign language courses are not ok
- No more than 2 courses of the same academic discipline

Area 4: Social & Behavioral Science

3 courses: 9 semester, 12-15 quarter units

- At least two academic disciplines required
- Individual behavior, behavior in human social, political, and economic institutions
- Problems and issues addressed examine in their contemporary, historical, and geographical settings
- Value contributions and perspective of men, women, ethnic and other minorities from the viewpoints of western/non western societies
- Courses must be taught from the perspective of social and behavior sciences

Area 5 A/B/C:

Physical and Biological Sciences

- At least 2 courses: 7-9 semester, 9-12 quarter units
- A minimum of one course in each area is required with at least one including a laboratory
- Area 5A: Physical Science Area 5B: Biological Science 5C: Laboratory
- Courses emphasize experimental methodology, hypotheses testing, systematic questioning
- Laboratory must be related to either 5A or 5B to gain fulfillment of the experimental methodology and hypothesis testing content and rigor
- A laboratory in a third subject will not satisfy 5C
- Laboratory must be a prerequisite or corequisite and have minimum unit of value of 1 semester/quarter unit

Area 5 A/B/C

Examples

- 1 biological science w/lab, 3 semester units
 - 1 physical science, lecture, 4 semester units
 - Area 5 satisfied?
 - Yes: 7 units completed, meets minimum required units and laboratory
- 1 biological science w/ lab, 3 semester units
 - 1 physical science, lecture, 3 semester units
 - 1 physical or 1 biological science, lecture, 3 semester units
 - Area 5 satisfied?
 - Yes: 9 units completed and laboratory met

Area 6A: Language other than English

LOTE

- Only required for IGETC/UC
- Proficiency requirement equal to two years of high school study
- No minimum number of units
- Students who satisfy the UC freshman entrance requirement for LOTE will satisfy area 6A [UC Doorways](#)
- Courses include written and oral language instruction as well as an introduction to history and cultural traditions of the country associated with the language
- LOTE for Native Speakers are appropriate
- Conversational courses must include a prerequisite equivalent to third year of high school study or one year of college level language
- Conversational may not emphasize business or travel

Satisfying 6A: LOTE

- Two years of high school coursework (same language) with a grade of "C-" or better
- Completion of approved college course with "C" or better. See Assist.org
- Two years of formal schooling at the 6th grade level or higher with a "C" (2.0) or higher in an institution where the language of instruction is not English
- SATII scores (10.6.1)
- AP of 3 or higher
- IB scores of 5 or higher (10.6.1)
- Language other than English "O" level exam with grade of "A-C"
- LOTE International "A" level exam with score of 5-7
- Defense Language Institute LOTE course with "C" or higher

Satisfying 6A: LOTE

- Achievement test administered by a professor. Test must measure proficiency equivalent to two years of high school language. This proficiency must be transcribed with units and grade. Credit by Exam
- Statement signed by the Professor indicating proficiency equivalent to two years of high school language
- Validation of less advanced high school coursework. The second year of the same language will validate the first year even if the first year grades are below C-
- More advanced college courses approved for area 3B may also be used to satisfy the LOTE proficiency
