

Palomar College
2022/2023 College-Level Examination Program (CLEP) Guide

Students must have the College Board send an official CLEP transcript to the Palomar College Records Office.

Course credit, major placement, and units granted at Palomar College may differ from course credit, major prep placement, and units granted by a transfer institution.

CLEP credit may be used to meet Associate Degree GE and/or major course work and California State University (CSU) GE requirements.

When included within the Associate Degree for Transfer (AA-T/AS-T), College-Level Examination Program (CLEP) credit shall apply toward the lower-division minimum unit requirement for the CSU degree, and if applicable, the minimum unit designation for the CSU major or CSU GE-Breadth requirements.

UC: The University of California **does not** accept CLEP credit. **IGETC**: CLEP **cannot** be used on IGETC.

NOTE: Palomar College external exam policy for local associate degree and general education aligns with that of the CSU external exam policy. Please reference the CSU external exam policy for exam effective dates.

N/A = Not Applicable

NE = No Equivalent

¹ French Level II, German Level II, or Spanish Level II prior to F15 earn 12 units toward CSU admission

¹If a student passes more than one CLEP test in the same language other than English (e.g., two exams in French), then only one examination may be applied to the baccalaureate. For each test in a language other than English, a passing score of 50 is considered "Level I" and earns six units of baccalaureate credit; the higher score listed for each test is considered "Level II" and earns additional units of credit and placement in Area C2 of GE Breadth, as noted.

² For AHI, students must complete POSC 102 or any approved US-2 and US-3 course
