## Intersegmental General Education Transfer Curriculum (IGETC) Requirements

### Fall 2022 - Summer 2023

The IGETC General Education pattern fulfills lower-division general education transfer requirements for transfer to the University of California (UC) or California State University (CSU). Courses may only be used during the time they were approved for IGETC. All courses used for IGETC require a grade of "C" or better. A "C-" grade is not acceptable. A course may be certified in one area only with the exception of Area 6 double counting in 3B. IGETC may not be appropriate for selective majors at the UC. Students who initially enrolled at a UC campus, and attend a community college are not eligible to use IGETC for the same UC campus. See a counselor for details.
