CSU Channel Islands
2020-2021 CURRICULAR CHANGE SUMMARY
Effective Fall 2020
(6-11-20)

PREFIX	#	TITLE/TITLE CHANGE (any new titles are entered)	UNITS	GE/Graduation Requirements*	NEW	MOD	DEL	COMMENTS
ARAB	102	Elementary Arabic II	4	C2, Language*		X		Changed prerequisite to recommended
EMEC	200	Logic Circuits	4			X		Modified Prerequisite from "MATH 150, MATH 230 and COMP 162" to "MATH 150 and COMP 162"
EMEC	230	Statics	3		X			
EMEC	231	Dynamics	3		X			
EMEC	225→325	Engineering Design	3	GWAR*		X		1. Modified course number (to UD), Mode of Instruction, Prerequisite from "EMEC 200" to "Junior Standing," description 2. Designated as GWAR course for EMEC BS
ENGL	299	Writing with Clarity and Power	1→2			X		Modified title, units, corequisite (adding "Concurrent enrollment in one of the following: ENGL 102, ENGL 105, ENGL 107, or ENGL 206; or Consent of Instructor.") & description
ESRM	228	Maps to Apps: Exploring GIS	3	A3	X			
ESRM	250	Environmental Ethics	3	A3	X			
FREN	102	Elementary French II	4	C2, Language*		X		Changed prerequisite to recommended
LANG	101	Global Language I	3	C2, Language*	X			
PHYS	200	General Physics I	4	B1, B3		X		Modified description
SPAN	102	Elementary Spanish II	4	C2, Language*		X		Changed prerequisite to recommended & modified description
SPAN	201	Intermediate Spanish I	4	C2, Language*, IP*		X		Changed prerequisite to recommended & modified description
SPAN	202	Intermediate Spanish II	4	C2, Language*, IP*		X		Changed prerequisite to recommended & modified description
SPAN	202	Intermediate Spanish II	4	C2, Language*, IP*		X		Changed prerequisite to recommended & modified description
SPAN	212	Spanish for Heritage Speakers II	4	C2, Language*, IP*		X		Prerequisite: removed Consent of Instructor

*[CSUCI Graduation Requirements](#)

Program	NEW	MOD	DEL	Changes
Applied Physics, BS Physical Sciences Emphasis			X	
Applied Physics, BS Technology Emphasis			X	
Applied Physics, BS		X		Program no longer includes emphases Major Lower Division Requirements decreased from 33 to 27 units: Removed COMP 150; MATH 230 & 240
Applied Physics, BS for the AS-T (TMC)	X			Major is now similar with the Physics AS-T
Computer Science BS		X		Lower Division Requirements decreased from 42 to 39 units Removed MATH/PHIL 230 to maintain similarity with Computer Science AS-T
Computer Science, BS for the AS-T (TMC)		X		COMP BS is now similar to the COMP TMC without modification. Students who've earned COMP AS-T will no longer follow a different curriculum/program.
Environmental Science & Resource Management, BS Environmental Science Emphasis			X	
Environmental Science & Resource Management, BS Resource Management Emphasis			X	
Environmental Science & Resource Management, BS Earth Systems Emphasis	X			
Environmental Science & Resource Management, BS Marine and Coastal Systems Emphasis	X			
Environmental Science & Resource Management, BS for the AA-T (TMC)	X			Environmental Science & Resource Management B.S., Earth Systems Emphasis and Marine/Coastal Systems Emphasis are similar with the Environmental Science AS-T

Environmental Science & Resource Management, Minor		X		1. Minor units changed from 20-22 to 23-25
				2. Changed "Lower Division Requirements – 6 units" to "Required Courses – 16-17 units"
				  a. Added "Complete one from…" section that included: ESRM 228 (new course) or 328
				  b. Moved ESRM 313 to one of newly created series
				  c. Created two series to choose from:
				    i. BIOL 200 + ESRM 200 + ESRM 313 or
				    ii. ESRM 205 + ESRM 331 + one of the following: COMP/IT 105 or PHYS 100 or PHYS 101 or PHYS 200 or PHYS 201

Health Science, BS		X		1. Reorganized to simplify and ease navigation 2. Lower Division Requirements: Added BIOL 203 & PHED 208
Information Technology, BS		X		1. Reorganized to simplify and ease navigation 2. Extended C- requirement to all major courses, instead of only prerequisite courses 3. LD Requirements: replaced BIOL 200/201 with BIOL 100/110
Liberal Studies, B.A. Teaching and Learning Emphasis for the AA-T (TMC)			X	No longer similar the Elementary Teacher Education TMC

Mechatronics Engineering, BS		X		1. Added C- requirement for all major courses
				2. Lower Division Requirements:
				  a. Removed EMEC 225 (renumbered to EMEC 325 & moved to UD Requirements)
				  b. Added EMEC 231
