<p>MD335 is the classroom on campus provided as an assisted open lab for Business students (students such as yourself taking a class from the Business Department). MD335 is also the location of the Certiport Testing Center for those that wish to get a Microsoft Office Specialist or Expert certification. The business labs of MD335, MD334, and MD332 have all been updated to MS Office Professional 2016 software and QuickBooks 2018. Take advantage of our labs if you need a good working environment to concentrate on your studies!</p>
