A message from a former
Palomar College
EOPS/CalWORKs Student &
Single-Father,
FABIAN HUERTA

Hello my fellow CalWORKs and EOPS students,

Each one of you should take the time to recognize your hard work and the efforts you have made in your academic journey. Making the commitment to attend college, continuing to further your education, which will turn into a career, is an enriching journey that you should be proud of.

Over this summer, I transferred from Palomar College to California State University of San Marcos, and was accepted into the College of Business Administration program. I'm majoring in Business Marketing and on pace to graduate in the fall of 2018. I was asked to share what led to my success in transferring. I would strongly encourage you to set attainable academic goals. Take advantage of all the incredible resources that Palomar College, CalWORKs, and EOPS provide. I basically would live at either the Math Learning Center, English Writing Center, or the Business Administration Tutoring Lab, if I needed help in a subject. All the tutors are bright, helpful and resourceful. Make use of your professors' office hours and talk to them if you have any issues or concerns about not understanding a lecture, they're there to help you succeed. Schedule appointments with your counselor, they offer guidance and put you on the right track for graduation. Walk up the stairs into the EOPS and CalWORKs office and become familiar with the amazing staff. Network with your fellow students, don't be shy, make friends, some of them will be stronger in areas and vice versa, so help each other out.

But most of all, don't let anything discourage you from pursuing your dream.

-Fabian

FEATURED SCHOLARSHIP

Ready to begin a new life?

Since 1972, the Soroptimist Live Your Dream Awards program (formerly the Women's Opportunity Awards) has disbursed more than \$30 million to tens of thousands of women who have overcome poverty, domestic and sexual violence, divorce, the death of a spouse, or other life challenges. They are women—just like you—who had the courage and determination to turn their lives around.

live
YOUR
dream

education & training awards for women

Recipients may use the cash award to offset any costs associated with their efforts to attain higher education, including books, childcare and transportation. The program begins on the club level, where award amounts vary. Club recipients become eligible to receive region-level awards, which are granted through Soroptimist's 28 geographic regions. Currently, each Soroptimist region grants one first-place award for \$5,000.

Most regions grant additional \$3,000 awards. The first-place recipients then become eligible for one of three \$10,000 finalist awards.

Soroptimist also offers awards through its headquarters office to applicants who do not live within the territorial limits of a Soroptimist club.

Each year about \$1.7 million is awarded through the Soroptimist Live Your Dream Awards program.

Scholarship application deadline is **November 15, 2016**.

For a copy of the scholarship application, please check your Palomar College email as our office has sent one to you.
