## Section 2

### Admission and Registration

#### Admissions Policy

Any person who meets one of the following requirements is eligible to attend Palomar College:

- Has graduated from an accredited high school
- Is a non-high school graduate 18 years of age or older
- Has passed the California High School Proficiency Examination (CHSPE), or Certificate of Equivalency (G.E.D.)
- Is a minor who may profit from instruction and has permission of the local high school district
- Has petitioned for special admission and obtained approval from parent/guardian, representative of the school district of residence and Palomar College Director of Enrollment Services (admitted on a permission and space available basis).

#### Application for Admission

Anyone who wishes to attend Palomar College must submit a completed application for admission. Students may apply online at <http://www.palomar.edu>.

#### Admission to Special Programs

Admission to the Dental Assisting Program and the Nursing Program is by special application. For information contact the Health Programs Coordinator, room NO-2, ext. 2279.

#### Special Admission for Accelerated Students

To be considered for admission, minors must have completed the eighth grade or reached the age of 15, and have permission of the local school district. Home-schooled minors may enroll with permission of the local school district. Minors, under 15 years of age, with permission from a public or private school, and the Palomar College instructor, may enroll only in courses specified by the local school district or private school. Otherwise, minors under 15 years of age are limited to enrolling in special classes devoted to children, such as child development lab classes or youth orchestra. Credit earned is college credit and may also be used as high school credit with consent of the high school. See the Admissions Office for details.

#### Residency

Information in the following paragraphs summarizes the rules and regulations related to student residency for educational purposes. Details are found in Education Code Section 68090, Title 3, Part 41, Chapter 1, and may be found in the College Library.

Residency is determined when a student applies for admission to the College. The Admissions Office will help with questions and interpretation of the regulations.

#### Definition of Residence

In law, every person has a residence. There can be one and only one residence. A residence cannot be lost until another is gained. It is the place where one lives when not on vacation or leave. It can be changed only by a combination of act and intent.

Every person who is married or is 18 or older and under no legal restriction may establish a residence. Certain minors may also establish residence.

#### Residency Status

A California "resident" is a person who has resided in the state for more than one year prior to the residence determination date and shows "intent" to the state of California.

A "nonresident" is a person who has not resided in California for the full one-year period before the residence determination date. A nonresident must pay nonresident tuition in addition to other fees for credit classes. Tuition must be paid in full at registration.

#### Residence Determination Date

The residence determination date is that day immediately preceding the first day of instruction.

#### Factors Considered to Determine Residency

The following factors are called "indices of intent." They, along with a person's presence in California, are considered in determining California residency. No one factor decides residency. All evidence is weighed. If any one of the "indices of intent" shows intent only for another state during the one-year period, it may show lack of intent for California:

- Own residential property in California for personal use
- Are licensed to practice a profession in California
- Vote in California
- Pay California State Income Taxes
- Possess a California driver's license and a vehicle registered in California
- Have an active checking and/or savings account in a California bank
- Show a California address on military records
- Possess a marriage license or a divorce decree issued in California
- Have been paying nonresident tuition in another state

#### Exception to Residency Requirements

There are exceptions to the residency rules. They may include the following:

- Active duty military personnel stationed in California
- Dependents of active duty military personnel stationed in California
- Certain minors who stayed in California when parents moved
- Self-supporting minors
- Full-time employees of Palomar College or a child or spouse of the full-time employee
- Those who attended a California high school for 3 or more years AND graduated from a California high school or attained an equivalent (GED or CHSPE). This exception does not grant California residency or eligibility for any state financial aid.
- Victims of Hurricane Katrina, ABI 1646. A student who, as of August 29, 2005 was enrolled, or admitted with the intention to enroll, in the fall 2005 term in a regionally accredited institution of higher learning in Alabama, Louisiana, or Mississippi, and who could not continue his or her attendance as a direct result of Hurricane Katrina may be eligible for a waiver of non-resident tuition.

Palomar College is authorized under federal law to enroll nonimmigrant alien students. The following is required for admission to the regular College program:

- International student application with passport-size photograph
- Confidential financial statement certified by bank official

**Matriculation Rights and Responsibilities**

Matriculation is a process that assists you in choosing, planning, and achieving your educational and career goals. It is Palomar's way of supporting your right to succeed in college. Matriculation is a partnership between you and Palomar College.

Palomar College agrees to:

- Evaluate your English, math, and reading skills
- Help you register for appropriate classes
- Provide you with an orientation, and information on services available, and possible majors and/or careers
- Provide access to counselors and instruction

You agree to:

- Decide upon your major and goal
- Attend an orientation and assessment session
- Work with us to develop an educational plan by the time you have completed 15 units
- Attend and complete courses to make the best use of the time you spend at Palomar

The College may suspend or terminate services to any student who fails to fulfill his/her responsibilities. However, the College may never suspend or terminate any service for which a student is otherwise entitled under any other provision of law. In addition, students may challenge any matriculation requirement or regulation using the petition process.

Prior to registration, all non-exempt students must complete the following steps that apply:

- Submit an application for admission
- Send in all transcripts or previous assessment scores for consideration
- Sign up for, and attend, an assessment and orientation session at the Assessment Center, SU-1, or at the Escondido Center.

New, returning, or transfer students who may be exempted from the matriculation process are students who:

- Already have an associate's or bachelor's degree
- Are attending Palomar for personal enrichment
- Are enrolled only in non-credit community education courses
- Are taking classes only to upgrade job skills
- Are enrolled in apprenticeship or other special vocational education programs
- Are concurrently enrolled in another college or university

Exempt students are not required to participate in the matriculation process, but are encouraged to see a counselor at any time.

**Assessment, Advisement and Orientation****What is Assessment?**

Assessment is the process the College uses to evaluate your skills in areas such as:

- Reading
- Writing
- Math
- English as a Second Language (ESL)

Assessment (the placement process includes multiple measures), advisement, and orientation are given several times throughout the year for the convenience of new, continuing, returning, and transfer students.

Assessment gives students knowledge of present levels of skills in math, English, and reading. Assessment, along with advisement and orientation, using COMPASS, takes approximately 3 hours, and includes receiving the results.

All students must submit an application for admission before making an appointment for the placement test. Students must contact the Student Access/Assessment Center for a reservation ticket. Reservation tickets are issued on a first-come, first-served basis. Seating is limited. Students may also schedule an appointment by e-mail to [Assessment@palomar.edu](mailto:Assessment@palomar.edu). Students should find the location prior to their appointment since no one will be admitted after the assessment has begun. All three subjects (English, math and reading) will be covered. Students are permitted to be assessed only once per year. Placement is valid for two years.

In addition to taking Palomar's placement test, the following options are also available to students:

1. Students may submit documentation of previous college course work and/or assessment scores from another college. Scores expire after two years; course work does not expire.
2. Non-native English speakers may participate in a specialized placement process. Contact the ESL Department.
3. Special testing conditions are offered for disabled students through the DSP&S Department.
4. Students may place themselves in entry-level classes and progress through the curriculum without taking the assessment.

The decision to challenge assessment placement will be made on an individual basis. Please contact the Assessment Office located in the Student Access/Assessment Center, SU-1.

**What is Orientation?**

Orientation is a process that provides students with information about the College's programs, services, academic expectations, procedures, advising and registration. Orientation follows all areas of assessment. Assessment results will be distributed at the conclusion of the orientation. Students will:

- Receive information about college requirements
- Learn about the requirements for Certificates, Associate and Bachelor's degrees, specific major requirements and general information

- Receive information about assessment recommendations and basic skill levels
- Available immediately after scheduled assessment online

### **When do I need Assessment, Advisement and Orientation?**

New students must complete assessment, advisement and orientation before qualifying to register for classes. Students who meet this requirement before the registration period for the next semester will receive an earlier registration appointment.

There are several other options for completing assessment, advisement, and orientation. These include special sessions for:

- Students with disabilities
- English as a Second Language students
- International students

Contact the Student Access/Assessment Center, see the current class schedule, or visit the Website, <http://www.palomar.edu/counseling/ASSM.html>.

### **What is Educational Planning?**

Educational Planning is the process of mapping your courses semester by semester. A counselor will assist you in choosing the appropriate course sequence that best fits your educational goal.

English, math, reading, and study skills are the foundation for success in other college level courses.

### **Complaints**

If you feel that assessment, orientation, counseling, or any other matriculation procedure is being applied in a discriminatory manner, you may file a complaint.

### **Enrollment Conditions**

Many courses and education programs of study have enrollment conditions such as prerequisites, corequisites, or advisories on recommended preparation. These faculty-approved conditions are considered necessary and appropriate to ensure that you are adequately prepared to succeed in the course or educational program.

Enrollment restrictions are defined below. It is your responsibility to meet any and all enrollment conditions.

### **What is a Prerequisite?**

A prerequisite is a condition of enrollment that you are required to successfully ('C' or better) meet in order to demonstrate current readiness in a course or educational program. You may be required to show proof of meeting the prerequisite. Failure to meet the stated prerequisite may result in you being administratively dropped from the course.

### **What is a Corequisite?**

A corequisite is a condition of enrollment consisting of a course that you are required to simultaneously take in order to enroll in another course. Failure to enroll in the stated corequisite will result in you being administratively dropped from the course.

### **What is an Advisory on Recommended Preparation?**

Recommended preparation is a condition of enrollment that you are advised, but not required, to meet before or in conjunction with enrollment in a course or educational program. If you believe that you have satisfied the advisory by means other than the stated advisory, you are urged to consult with the appropriate department to determine your readiness to enroll in the course or educational program.

### **Are there other limitations on enrollment?**

Yes. Enrollment in certain courses or educational programs of study may require try-outs, auditions, or may be limited by health and safety considerations, facility limitations, faculty workload, the availability of qualified instructors, funding limi-

tations, or legal requirements imposed by statutes, regulations or contracts. All such limitations are in conformity with the provisions of Title 5, Section 58106, California Community Colleges Board of Governors.

### **What if I don't have the necessary prerequisites or corequisites?**

You may not be permitted to enroll in a class for which you cannot demonstrate you have met the prerequisite, or are enrolled in the corequisite. If it is determined after a course begins that you have not met the prerequisite, you may be dropped from the course.

### **What if I am currently enrolled in the prerequisite when it is time to register for my class? Will I be prevented from enrolling in the next level course?**

No. If you are currently enrolled in the prerequisite course at Palomar College, and it is assumed that you will pass the course with a 'C' or better, you will be permitted to enroll in the next level course. If you do not successfully pass the course (D, F, FW, NC, Inc, or W), you will be dropped from the class before the opening day.

### **Can I challenge a prerequisite or corequisite?**

Yes, under certain conditions. Refer to the information on challenges below.

### **Challenging Prerequisites**

You have the right to challenge any prerequisite. A prerequisite or corequisite challenge requires written documentation, explanation of alternative course work, background, abilities, or other evidence which has adequately prepared you for the target course. A Prerequisite or Corequisite Challenge Petition can be obtained from the Admissions & Records Office, the Counseling Center, or an Education Center or Site. Reasons for seeking a Prerequisite and Corequisite Challenge Petition may include one or more of the following:

1. A prerequisite or corequisite has not been made reasonably available.
2. A prerequisite or corequisite has not been established in accordance with the District's process for establishing prerequisites and corequisites.
3. You can provide evidence of having the knowledge or ability needed to succeed in the course despite not meeting the prerequisite or corequisite.
4. You may challenge other limitations on enrollment.
5. You may challenge a prerequisite or corequisite established to protect the health and safety of himself, herself, and/or others.
6. A prerequisite, corequisite, or limitation on enrollment is discriminatory or applied in a discriminatory manner.
7. A prerequisite or corequisite is in violation of Title 5.

If space is available in the target course when you file a challenge to the prerequisite or corequisite, the College shall reserve a seat for you and resolve the challenge within five working days. If the challenge is upheld or the College fails to resolve the challenge within the five working day period, you shall be allowed to enroll in the course. If no space is available in the course when a challenge is filed, the challenge shall be resolved prior to the beginning of registration for the next term, and if the challenge is upheld, you shall be permitted to enroll if space is available when you register for that subsequent term.

### **Transcripts/Advanced Standing**

Transcripts from other colleges and universities must be received by the Admissions and Records Office no later than the end of the first semester of attendance.

Transcripts received become the property of Palomar College and cannot be returned to the student or forwarded to other schools.

Courses, units, and grades from other regionally accredited colleges and universities that are accepted will be applied toward the completion of academic

degrees or certificates of achievement at Palomar College. Units accepted may also be applied toward transfer patterns to four-year institutions.

Transcripts from foreign schools or universities must be evaluated by an approved credentials evaluation service.

Refer to the Academic Regulations and Standards section of the catalog regarding acceptance of non-traditional credit.

Computers will be used for assignment preparation, examinations, and for communication between students and faculty. Students must have reliable access to the Internet and an email account. Computer literacy is highly recommended. If a computer is not available at home, there are computer labs available for student use on campus. Teleweb classes may require students to attend an orientation session with the instructor. Student financial aid awards may be impacted in certain cases. Please check with the Financial Aid Office for more information. Teleweb classes satisfy either pre-collegiate, elective or general education requirements toward a certificate or A.A. degree. For additional information, visit our web site at <http://www.palomar.edu/pctv>.

Each telecourse includes televised lessons, a text, as well as procedures for discussion, assignments and examinations. Students may view video lessons on cable, online, or on videotape that are available for check-out at six different locations. Although telecourse study is based primarily in the home, you are expected to interact with the instructor on a regular basis by telephone, email or during your scheduled campus meetings. You must make time to view your lessons and complete assignments. In order to receive credit or an evaluative grade, you must attend the campus meetings. TV courses are academically equivalent to the traditional campus course. They satisfy either pre-collegiate, elective or general education requirements toward a certificate or A.A. degree. For more information, visit our web site at <http://www.palomar.edu/pctv>.

### **Videoconference Classes**

### **The Class Schedule**

Students are informed of the enrollment procedure to be followed in the official Class Schedule for each semester.

### **Online Enrollment**

All students may use Student eServices to enroll. Continuing students have automatic eligibility to enroll. New and returning students are also eligible after submitting an Application for Admission at the main campus or at a College Center or online at [www.palomar.edu](http://www.palomar.edu). All students are issued a unique Palomar user ID number, which will be used for enrolling and all other transactions with Palomar. See the Class Schedule for more information.

### **Procedure for Adding and Dropping Classes**

Adds and drops are processed online through Student eServices until the semester deadline date (see Class Schedule). You may be required to obtain a permission number from the instructor to add a class.

**All additions to a student's program must be processed within the first two weeks of classes.** Exceptions to this deadline include late-start and open-entry classes.

### **Official Withdrawal**

Students must drop classes by using Student eServices. Refer to "Dates and Penalties" below for any penalties which may be imposed.

### **Unofficial Withdrawal**

Students who simply stop attending class and do not drop through Student eServices have unofficially withdrawn. These students may receive an "F" or "FW" grade in every class they stop attending.

### **Administrative Withdrawal**

Administrative withdrawals may occur for academic or disciplinary reasons, or for non-payment of fees. If the administrative withdrawal occurs after the refund period, the student will not be entitled to a refund or waiver of registration fees.

### **Dates and Penalties**

If a student processes a drop during the first four weeks of a full semester course, or first 30% of a short-term course, no grade will be assigned and no notation will appear on the student's permanent record.

Between the fourth week and the eighth week of a full semester course, or between 30% and 50% of a short-term course, a student may process a drop at his or her discretion and receive a withdrawal (W grade).

After the eighth week of a full semester course, or 50% of a short-term course, only evaluative (A, B, C, D, F, FW) or Incomplete (I) grades shall be assigned.

All students are expected to attend classes. Failure to attend classes can result in an "F" or "FW" grade, unless the student executes a drop within the time periods indicated above. Refer to the 2007-2008 college calendar for specific dates or check our web page at [www.palomar.edu/admissions](http://www.palomar.edu/admissions) for the most current information.

### **Petition Appeal Procedure**

### **Class Cancellations/Changes**

### **Fees and Expenses**
