Veterans' Services

SSC-48, Ext. 2173

The Veterans' Services Office, located in the Student Services Center, provides information on veterans' education benefits and services; helps veterans, dependents and active duty military with applications and forms needed to collect their G.I. Bill benefits.

New students are required to:

1. Complete the Palomar College Application for Admissions.
2. Select a major and make a counseling appointment with the Financial Aid/Veterans' Academic Counselor to obtain an education plan.
3. Register for classes. Students are responsible for paying their registration fees.
4. Pick up a Veterans' Services benefit package from the Veterans' Office.

New students will submit the completed package, along with a copy of their education plan, to the Veterans' Services office after they have registered in their classes.

Continuing students should contact the Veterans' Office prior to the start of each semester to keep their VA payment coming for the next semester. It takes about eight to twelve (8 to 12) weeks for processing of VA Educational claims.

Students are paid VA benefits based on their attendance in classes, and must reapply to Veterans' Services each semester if they wish to receive benefits. Students are required to choose a major and enroll in classes required for that major. Official transcripts from all previous schools, colleges, military training and CLEP tests must be submitted to the College for evaluation before the end of the students first semester of attendance.

Because all courses are not VA approved or payable, students should, prior to registering, contact the Veterans' Advisor for review of their classes.
