Locker must be locked when not in use.

You are responsible for its contents.

Lost or improper use of borrowed items or any items in your locker that result in damage or breakage may affect your grade.

All lockers must be cleaned and checked out before or on class-scheduled check-out day.

You are **not permitted** to work in the laboratory without safety glasses, as required by the California State Education Code. The stockroom will provide you with *approved safety glasses (Z87.1)*. You will be given the option to borrow a lab coat from the stockroom to protect your clothing. **It is your responsibility to return the lab coat washed and dried on locker check-out day.**

I understand the information provided to me. I have received the above equipment and materials in good condition.
