

**CHILD AND FAMILY SERVICES- Certificate of Achievement or A.S. Degree**

This program includes a selection of courses that provides academic preparation to individuals for a career in working with families in an early childhood environment. The program will give students general knowledge and skills in theory, principles, and techniques for working with young children and families. The 27.5 units listed in this section enable students to complete a Child and Family Services Certificate. Students also have the option to earn an Associate in Science Degree in Child Development by completing 27.5 units for this Certificate and the General Education courses required by the college.
