

Child Development & Education Department

Effective Fall 2023

Foundations of Elementary Education - Certificate of Achievement (12-17 units)

This program includes a selection of courses that provides an academic foundation designed to introduce students into the profession of teaching, particularly in elementary education. The program will give students knowledge and skills in theory, principles, and techniques for working with students in kindergarten through grade 8. This program stacks into the Associate in Arts in University Studies: Elementary Education Preparation.
