

Requirements for Certificates and Degrees

CHILD DEVELOPMENT MASTER TEACHER: PRESCHOOL

Certificate of Achievement or A.S. Degree

This program includes a selection of courses that provides academic preparation to individuals for a career as a preschool teacher in an early childhood setting. The program will give students general knowledge and skills in theory, principles, and techniques for working with young children ages three to six. The 39 units listed in this section enable students to complete a Preschool Master Teacher Certificate.

Students also have the option to earn an Associate in Science Degree in Child Development by completing 39 units for this Certificate and the General Education courses required by the college. Please see the current Palomar College catalog for further information regarding the Child Development Program and specific course descriptions.
