

Dear Faculty,

Patrick Savaiano, Assistant Director for Behavioral Health, and his team at the Student Health Centers would like to visit your class (at your invitation) for 5-10 minutes to present to your students on Palomar College's medical and behavioral health services including their recent change to tele-health appointments.

Please contact Patrick directly to extend an invitation to him and/or members of his team: [psavaiano@palomar.edu](mailto:psavaiano@palomar.edu).

Also, in case you didn't see this when it was sent out yesterday, please see this communication from Palomar Health Services below.

Thank you.

*Craig Thompson*  
President, Faculty Senate

*Shayla Sivert*  
Acting Vice President, Instruction

---

Palomar College Student Health Centers & Behavioral Health Counseling Services have transitioned to phone and telehealth appointments. Please help us share this information and our attached flyers with your students to let them know that we are here for them.

Students have access to free "Ask the Nurse" phone consultation by calling: **(760) 891-7530** for any health related concerns or referrals. More information and resources can be found on our websites:

**Student Health Centers:** <https://www2.palomar.edu/pages/healthservices/>

**Behavioral Health Counseling Services:** <https://www2.palomar.edu/pages/bhcs/>

Thank you,
