

UPDATE ON REFUNDS

from Dr. Kahn, Acting Superintendent/President of Palomar College

We hope this message finds you safe and well. It has been three weeks since we started the second half of the spring semester and we know that all of our faculty and staff have worked tirelessly to create engaging online classrooms. We also realize that the remote delivery of coursework may not be ideal for you at this time. We understand that the COVID-19 pandemic has caused a myriad of unexpected changes and your priorities maybe shifting as necessary. In result, beginning April 22, refunds will be issued if you have dropped any of your courses.

To receive a refund, you do not need to take any additional actions. The following types of fees will be automatically refunded: enrollment (\$46 per unit); non-resident tuition (\$265 per unit); non-resident capital outlay fee (\$5 per unit). The unused portion of your material fees will be refunded as well and the amounts are currently being evaluated on a course by course basis. If you paid via cash, check, ACH, or through the payment plan, a check will be issued to you. Checks will be sent out each Friday to the mailing address we have on file. If you paid your fees by credit card, the refund will be credited to your credit card.

In addition, you will also receive a 50% refund if you purchased a parking permit. Checks will be issued for parking permit refunds and sent to the mailing address we have on file.

Please know, due to transaction processing timelines, it may take up to two weeks for the credit to be applied to your credit card account or for a check to be received. If you are a recipient of financial aid, the credit may not be processed to your account.
