- Take a quick survey and check your symptoms

The screenshot shows a web interface for Palomar College. At the top left is a 'Logo' placeholder. At the top right are icons for QR code, calendar, and settings. The main heading is 'Welcome TEST COLLEGE2'. Below it is a paragraph: 'In the midst of the 2020 global Coronavirus pandemic, Palomar's main priority is to keep their staff and students as safe as possible.' A bold instruction follows: 'Take 90 seconds to check if you have any COVID-19 symptoms. Please read the questions carefully.' A large dark blue button with white text says 'Check Your Symptoms'. Below the button is a 'HEALTH TIP' icon (hand being washed) and the text: 'Remember to wash your hands for 20 seconds.'

- Booking an On-Site COVID-19 Test – **Appointments REQUIRED** Prior to going to onsite testing

The screenshot shows a web interface for Palomar College. At the top left is a 'Logo' placeholder. At the top right are icons for QR code, calendar, and settings. The main heading is 'Welcome TEST COLLEGE2'. Below it is a paragraph: 'In the midst of the 2020 global Coronavirus pandemic, Palomar's main priority is to keep their staff and students as safe as possible.' A light blue button with dark blue text says 'Show Access Pass' with 'Expires today' below it. Below this is the question 'Do you need to re-take your Health Survey?' with two buttons: 'Yes' (red border) and 'No' (teal border). Below the buttons is a purple button with white text that says 'Book On-site Covid Test' and a calendar icon. Below the button is a 'HEALTH TIP' icon (hand being washed) and the text: 'Remember to wash your hands for 20 seconds.'

- First upload Insurance Card –  
 \*\*\*\*\* If you are NOT medically insured, write a statement such as “I, **First and Last name** attest that I do not have medical insurance \_\_\_\_\_ Sign and date” and upload the statement.
