Don't miss this in-person event
at Palomar College San Marcos Campus!

Did you know cybersecurity careers are growing and projected to grow 31% by 2029 according to the U.S. bureau of labor statistics? Come and learn what it is like to work in the cybersecurity field.
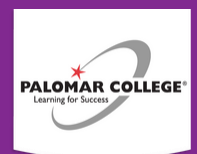

Cyber Career Day provides the following opportunities:
- network with cybersecurity professionals
- resume reviews
- mock interviews
- free professional headshot

This is a free event, open to the public, targeting college students and career changers. Lunch will be provided for free.
