

SD4C MEETING MINUTES – SPRING 2020

Grossmont College hosted via Zoom on Friday April 24 at 11 AM - 1 PM

- MIS course, no major changes.
- Staffing, only MiraCosta adding new full-time, and interviewing via Zoom.
- Everyone doing Summer 100% online, and Southwestern going all online for Fall
- Grossmont looking at MOS certification and becoming a testing site.
- New classes: Grossmont with PLC class. Miramar has Assembly.
- Mesa College moved to Cengage Mindtap for MIS, Office, and programming courses and is happy with it.
- National University has new Bachelor's in Cybersecurity. City, MiraCosta, Palomar, and Grossmont College have transfer pathway for Cybersecurity to National University.
- Campus closure resources for CC: <https://ictdmsector.org/campus-closure-resources/>
- Remote Testing for Industry Certifications: <https://ictdmsector.org/industry-certifications/>
- Industry / Labor Market Trends (survey from CoE) COVID-19 updates [should be ready by May 2020]
- Faculty Development weeks for June 2020 (register sooner rather than later) – classes filling up very quickly, especially cloud courses (WASTC): <https://www.wastc.org/events>
- RFA from regional consortia; details to be released soon (MAY 2020)
